Before registering into the Smart Inno ecosystem map please read these instructions to make sure that your registration is successfully submitted.

Only players of the business, innovation and research ecosystem with their headquarter or their branch offices in the Ionian Adriatic area can register in the Innovation Map.

The eligible categories are:

1. **Business Support Organizations**
   = Organizations providing support services for developing business projects, as for example managerial support, internationalization services, networking opportunities, ecc.

2. **Science and Technology Parks**
   = Organizations managed by specialized professionals that stimulate and manage the flow of knowledge and technology amongst universities, R&D institutions, companies and markets with the aim of creating high technology economic development and advancing knowledge. They facilitate the creation and growth of innovation-based companies providing value-added services together with high quality space and facilities.

3. **Incubators**
   = Organizations that provide physical space/equipment and support (such as coaching, networking, ecc) exclusively to would-be entrepreneurs and start-ups.

4. **Development Agencies**
   = An agency whose goal is to help develop and support economic growth within a specified city, region or state by providing necessary resources and assistance.

5. **Co-working spaces**
   = A co-working space is a space shared by individuals from different organizations and professions. It provides independent workers/freelancers, startups & micro-businesses a creative place/community to get work done, meet clients, ecc.

6. **Universities**

7. **Research Centres**

8. **Innovative SMEs/Startups**
   = Only innovative startups and/or SMEs (not corporation) can be included. Innovation is considered in a wide sense: not only technologically innovative companies but any SME/startup with some kind of innovation in products/services or processes can be included.

9. **Consultants/Mentors**
   = Consultants: they can be both individual consultants (freelancers) and associated consultants. Only consultant for enterprises management (management activities, internationalization, legal issues, ecc) can be included.
= Mentor: an experienced entrepreneur who offers its knowledge, wisdom, and advice to someone with less experience.

10. Clusters
= A network of connected businesses, suppliers, and associates in a specific field that are all located in the same geographical area.

You can select as many categories as you need.

The stakeholder description must be in English and with a maximum length of 1,000 characters spaces included.
